*"Isla"*

We are loving this boat! She sails like a dream and is so wonderfully speedy for a luxury cruiser. We won the Mykonos race (multihull class) and came third overall; and last weekend won the annual Portugal Day race at RCYC (Division 1 and again 3rd overall). We have called her "Isla" - since she is our island, and "isla" is an anagram of "sail".

Attached are a couple of photos.
